Welcome to Week Seven.
I can’t believe how quickly this term is passing. Hard to think there are only four weeks left!
Thank you to the parents who attended meetings with Mrs Liddle and myself last week to discuss individual education support plans for their children. It is vital that parents are part of the discussion process to ensure their child’s needs are fully met. Please remember that you don’t always need to arrange a formal meeting to discuss your child. If you have any concerns at all, please pop into school for a chat—the door is always open.
Caron McDonald
Relieving Principal

Absence notes
If your child is absent from school, please remember to send in an absence note when they return to school. It is important that we document absences and retain evidence for our records. An absence note booklet is attached, if you require a new booklet, they are available at the office.

Life Education Van
Students from Lue Public School will have the opportunity to visit the Life Education Van at Rylstone Public School on Tuesday 24th March. Costs for this event will be met by the school and students will be transported by private vehicles.
A permission note will go home later this week.

Old vinyl records
Our school library has a collection of old vinyl records that are no longer required. Several have been retained for archival purposes but there are still many available. If you are interested and want to have a look, just pop into school. A gold coin donation would be appreciated.

MSSN Public Speaking Competitions
Students have been given the topics for the 2015 speeches.
K-2 students can choose from:
My favourite book is .......
I’m good at .........
Students in years 3 and 4 can choose from:
I want to be a ..... when I grow up because ......
I don’t like to eat .........
Students in years 5 and 6 can choose from:
The world would be a better place if .......
What happened in history on your birthday?

As in previous years, students will have the opportunity to present their speeches in front of other schools and students in Mudgee on 25th March. All staff will attend and we ask that parents transport their own children to the event. Further details will be sent out next week.

Western Swimming
Last Friday, Felikss Sander competed at Western in Dubbo as part of the Cudgegong team. He swam fantastically, coming third in his heat and achieving a new personal best time.

Swimming Practise at Lue Pool
Don’t forget to pack your child’s swimmers on Tuesday or Wednesday.

P & C AGM
Unfortunately, the P&C AGM had to be postponed last week due to insufficient financial members being present. It has been rescheduled for 1st April.

Music at school
Enquiries are currently being made in regards to music teaching by specialists from term 2. At the moment we may be able to offer guitar lessons in small groups for senior students one afternoon a week (at a subsidised cost) and half hour private piano/keyboard lessons on the same day at lunchtime. The piano/keyboard lessons would cost approximately $35 for the half hour private lesson.
If you would be interested in these lessons for your child please contact me at school. It would be on a first come, first served basis with only two or three possible spaces available.

Free Open Air Cinema Night
To celebrate Earth Hour, there will be a free open air screening of Happy Feet at Dubbo Gaol on 28th March. See the attached flyer for further information.
Freecycling
Do you have anything to give away or something that you would like to sell for a few dollars? Let us know at school and we can pop it into the newsletter. Very often, one person’s trash is another person’s treasure. In a time when everyone is trying to recycle, passing on items that you no longer need to someone who does, helps us all.

JAKE NUGENT
Jake has settled well at Lue PS and always has a smile for everyone!
