Principal’s Note
Welcome to the newsletter for week 10. What a busy term we’ve had here at Lue Public School. So many highlights were mentioned at the assembly today, I often wonder how we fit everything in! Thank you to all our visitors who came this morning. Tomorrow, all students will visit the Bathurst Goldfields. Please read the information snippet to check for any up to date information.
On Wednesday, our year 5 and year 6 students will head off to Red Hill Environmental Education Centre in Gulgong for an action packed art camp with stage 3 students from the other small schools. Mrs Liddle will be there, along with Mrs Charlton (Goolma) and Mrs Rae (Hargraves) to support and supervise the students in what I’m sure will be a super excursion.
Have a look at the flyers attached to the newsletter this week for activities to keep your children busy through the holidays.
Don’t forget to put your name down to help at our Working Bee on the last Sunday of the school holidays.
Finally, students return to school on Tuesday 14th July (Monday 13th is a staff development day).

Caron McDonald (Relieving Principal)
Lue Public School

Red Hill Art Camp
Year 5 and 6 students will be off to Red Hill on Wednesday for an exciting art camp. I’m sure they will have fun!

Bathurst Goldfields
Tomorrow, all students will travel to the Bathurst Goldfields. We will be leaving school at 8:45am prompt. The school bus will be 10 minutes early at each pick up point tomorrow. (Parents/carers, please check your child’s bag for a note).

Wollemi Art
Wollemi Winter art and drama workshops are available on the 1st and 2nd of July. Bookings are essential and must be made by 24th June. Please see the attached flyer for further details.

Fun at the Library these Holidays
How often do you visit your local library? Libraries at Kandos, Mudgee and Gulgong have planned sessions for young students throughout the two week holiday period. Activities include storytelling and craft. Why not pop along with your child/children and have a look? Older students can join in and help or catch up on some computer time using the free computer access.

Mudgee Small Schools Athletics Carnival
The Mudgee Small Schools Athletics carnival will take place in Mudgee on the Friday of the first week back (17th July). As usual, we will be asking that parents transport their children to the event and remain to supervise them. All staff will attend but they will have specific roles and timekeeping to do so will not be available for student supervision.
Further details and a permission note will be sent home on the first day back at school next term.

Lue Public School Working Bee
We try to make sure our school is a beautiful place to be but there are only so many hours in a day and so many jobs to do. A Working Bee helps us to catch up on the jobs that might get left to the bottom of the list.
We will be holding a Working Bee on the last Sunday of the school holidays (12th July) and would love to see as many of you as possible help out. It will take place between 10 am and 2pm with a sausage sizzle lunch provided. Jobs include a lot of small gardening jobs (mulching, planting up a bit of colour, leaf raking, trimming and pruning etc), reorganisation of some storage, minor maintenance jobs etc. If you can spare an hour or two we would be really grateful. If you think you will be able to make it, could you let Helen in the office know some time this week.

Thank you Kylee Robinson
You may notice there are a few changes happening in our veggie garden at the moment. Thanks to Kylee, our P&C president, our veggie garden is getting a complete overhaul. New sleepers for borders, mushroom compost to rejuvenate the soil and a general re-organisation of the plot has been happening over the last two weeks. Our students can’t wait to get out there next term and start using it again! Thanks also to Kylee for our yummy lunch at school today. Baked potatoes were just what the doctor ordered on this cold wintery day!
