Principal's Note
Welcome to the newsletter for week 7. Thank you to all the families who donated cakes for the P&C fundraiser last week. Read the snippet below to find out how we did.

Tuesday evening is the opening night of the CLC Art Exhibition. Everyone is welcome to pop along with their child/children to have a look at the wonderful artworks from our region. On Thursday, students will have the opportunity to visit the exhibition as a school group.

This week we have our Lue Cross Country on Friday. Students have been working hard to beat their own personal bests.

Don't forget, this coming weekend is a long weekend—a chance to catch up with friends and family.

Caron McDonald (Relieving Principal)
Lue Public School

Poetry Competition
Congratulations once again to several of our students who have been awarded highly commended medallions for their entries into the Henry Lawson Verse Competition. This is a national competition so it makes it extra special that we have three awardees in our school. Well done Zac Stewart, Matthew Robinson and Felikss Sander for an amazing achievement. Our thanks must also go to our very own poetry advocate, Leanne Wicks, who comes in each Tuesday morning to work with the senior students in developing their poetic masterpieces.

Working Bee
We are planning to hold a Working Bee during the next school holidays (Saturday or Sunday, date to be confirmed). There will be a variety of jobs to be done including gardening and painting. Further details will be sent home shortly. We hope to see as many of you at school as possible (sausage sizzle lunch will be provided).

Lue Cross Country
This coming Friday, students will run the Lue Cross Country event at the Oval in Lue at 11am. Everyone is welcome to come along and cheer on the students. Why not bring a picnic lunch to have back at school after the event?

CLC Art Show
The annual CLC Art Show will be held this week from the 2nd to the 4th June at Cudgegong Valley Public School. Parents/Carers are invited to visit the art show with their children tomorrow evening from 6:30pm to 8:00pm. All students will travel together to visit the show as a school group on Thursday 4th during school time. (Don’t forget to provide a booster seat if your child is aged 7 or under). Please make sure you return the permission note to school which was sent out last Friday.

Reconciliation Week
I hope you all saw the wonderful write up about Lue Public School in The Weekly last week. We were so proud to be the first venue to trial the travelling exhibition provided by the North East Wiradjuri Co. Two more large panels have since been delivered to school. If you would like to have a look at them, just pop in one day this week.

Newspapers/Magazines
Please send in any newspapers or magazines you no longer require to school. We use the newspapers to cover desks during art lessons and the magazines are a valuable source of collage pictures for students.

Larry the Lue Scarecrow
Have you seen Larry yet? The senior students, along with Mrs. McEgan, created him for our veggie garden last week. I think you have to agree, the students did a great job! Our veggie garden has been looking a bit bleak lately (the weather hasn’t helped and we lost our crop of tomatoes with the frost). Students will be working in the garden over the next few weeks to get it back to its usual glory!

P&C NEWS

Cake Stall
P&C President, Kylee Robinson, and member, Kim Docherty, held a cake stall last Friday outside the CRT in Rylstone. They managed to raise almost $200. Thank you to everyone who contributed cakes.

P&C Meeting
The next P&C meeting will be held next week on Wednesday 10th June. Everyone is welcome!
**Thank you Woolworths!**

Having a fresh piece of fruit or vegetable is a daily event at Lue Public School. It provides our students with an energy boost after their fitness activities. Students are provided with a wide variety of fruit and vegetables to choose from every day.

Our thanks must go to the staff at Woolworths in Mudgee who donate a box of fruit to Lue Public School each week. This means that the money we would have spent on fruit, can be spent on other programs to support our students.
