Principal's Note
Welcome to the newsletter for week 9.
What a fun day we had last Friday! From pirate cakes to pirate ships, the students really embraced the theme whilst learning about the reason behind the day—to raise awareness and funds for research into children's brain cancer.
We will have our excursion to Bathurst Goldfields next Tuesday, please return your notes & payment if you haven't already.
Our year 5 and 6 students will be getting excited about their upcoming art camp to Red Hill next week.
Semester 2 reports will go out at the end of this week and a parent’s evening will be held next Monday for anyone who would like to discuss their child’s progress. A letter offering timeslots for parent’s evening will be sent home tomorrow.

Caron McDonald (Relieving Principal)
Lue Public School

Term 2 Assembly
Our Term 2 Assembly will be held next Monday (22nd June) at 10am followed by morning tea. We would love to see as many of you as possible there to celebrate the wonderful achievements of our Lue students.

Boys Softball
Well done to Bryce Robinson, Zac Stewart, Jackson Griffin, Rhys Robinson, Matthew Elkins and Matthew Robinson for their impressive performance at softball last week. Although the boys weren’t the winners on the day, they put in a fantastic effort and all really improved their personal skills. Thanks to Mick Boller and Deb Robinson for transport and training.

Red Hill Art Camp
Students in years 5 and 6 have the opportunity to attend a small schools three day art camp at Red Hill Environmental Centre in Gulgong next week. The camp runs from Wednesday 24th to Friday 26th, is fully funded for all accommodation, meals and activities so there is no cost to parents. Students will participate in activities involving visual art, drama, sculpture and screen printing. Parents will be invited along to watch a drama finale on the last day (information will be provided at the Centre when you take your child). Notes have gone home today so please check your child’s bag.

Pirate Day Friday
We had so much fun last Friday whilst also raising awareness and money for research into Children’s Brain Cancer. Well done to all of the students who dressed up especially for the day. Even our bus driver, Ken Hopkins, joined in the dress up fun. Congratulations to BJ Docherty, Rafferty Fisher, Khylarni Docherty and Sarah Stewart who were voted best dressed pirates by the students. Thanks also to Ken for donating the prizes.

Library Van
The Library Van will be here this coming Wednesday. There will not be any borrowing now until next term. Please make sure you bring all your books back to school.

Semester 1 reports and Parents’ Evening
Semester 1 reports will go home with your children this coming Friday. Parents will have an opportunity to discuss their child’s report at a parent’s evening next Monday (22nd June). Please choose your preferred timeslot on the letter that will go home tomorrow and return it to school. We ask that you identify 3 choices (1st, 2nd and 3rd) and we will try to accommodate preferences as much as possible. Parents/carers of each child will be able to see the class teacher for 10 minutes and also have a look at their child’s books. If you require a longer appointment, then we will need to schedule it at another time.

SCHOOL CANTEEN
There will be no canteen next Monday. Instead all students will be having a special end of term hot lunch. Student contribution is $2. Please send the payment into school with your child.
**Live Life Well @ School**

**Building healthy habits**

Children are learning habits that will often last them a lifetime. Consider the following:

Breakfast is important. Children who eat breakfast have better concentration. Eating breakfast can reduce snacking on high-energy foods in the afternoon in both adults and children. Be realistic about the size of the serve you offer children. Forcing children to finish what is on their plate when they are not hungry may lead to overeating and/or strong food dislikes.

Serve meals or snacks at a table rather than in front of the television. Children and adults can miss their body’s cues when they are full and are more likely to overeat. Limiting television also reduces their exposure to junk food advertising.

Avoid giving children processed snack foods high in sugar. Encourage brushing teeth in the morning and before bed to develop good dental habits.

**STUDENTS WILL TAKE HOME A FREE SAMPLE TOOTHBRUSH & TOOTHPASTE TODAY.**

You play an important role in promoting healthy habits. Set a good example by eating healthy foods and enjoying regular exercise. It may not be apparent, but your child is watching you!

---

**Matthew Robinson**

Matthew has been trying really hard to get through his work in class quickly and quietly. Great effort, Matthew!
